Our Services

Our services offerings include audit and assurance, tax & regulatory, business advisory for domestic and global business of all sizes. We offer a range of solutions which are ideal, practical, and innovative and at par with the best that our clients would expect.

1. Tax and Regulatory

Direct Taxes

1.1. Tax Strategy and compliance

Our specialist tax partners have a responsibility to ensure that the client's tax bill is optimized and they do not pay unnecessary taxes. This involves a complete understanding of the ever changing tax laws which offer innumerable tax optimization opportunities in the form of deductions, exemptions and claims for losses and expenses. Coupled with an intimate understanding of the clients business and structure the potential tax strategies are formulated, discussed and finalized to minimize the tax bills and having said so, we also recognize the fact that the tax strategy should not be overly aggressive and should not increase clients' tax risks so as to plunge them into protracted litigation.

Our tax teams constantly monitor the development of jurisprudence, the statutory pronouncements and the amendments in tax laws which invariably have far reaching consequences on the clients' tax strategies. Our knowledge plays a pivotal role in tax planning, advisory and compliance services.

Our regulatory compliance services ensure that the clients attain a high level of stringent tax law compliances.

1.2. Tax Representation

We provide representation services to clients at all levels of tax hierarchy ranging from assessment to administrative and appellate stages. We have competence and resources to serve clients at all levels of appellate stages ranging from Appellate Commissioners, Dispute Resolution panel, Income Tax Appellate Tribunals.

2. Audit and Assurance

Our audit and assurances service offerings are based on a complete understanding of the clients' business specifics, industry peculiarities and the applicable laws. The audit approach is based on the compliance issues, the nature and requirement for audit, the clients' requirement and key risk issues involved. Our audit and assurance solutions range from statutory audits, internal audits, tax audits, transfer pricing audits, management audits, concurrent audits etc. The audit deliverables range from reporting for statutory compliances to enhancing the client's business financial and operational performance.

2.1 Statutory Audits

We conduct statutory and regulatory compliance audits for filing of annual or periodic financial results. Statutory audits are aimed at achieving compliance with regulations, assessing the strength of controls confirmation of accounting treatments of recorded transactions, independent review of reported information and preparation of accountants' report.

2.2 Tax Audits

We annually serve our two hundred and fifty clients in area of tax audit under various provisions of the tax laws. Amongst the firms' tax audited clients are large and medium corporations and small businesses, partnership firms' nonprofit organizations and high net worth individuals. The firm has dedicated audit teams which specialize in conducting the audits effectively and diligently.

2.3 Internal Audits

The internal audits are conducted with varying client requirements but essentially the objective there of is to provide assurance on controls and processes.

2.4 Stock Audits

We conduct Stock audit to ensure accurate inventory records, minimize discrepancies, and improve operational efficiency through systematic verification of stock levels, quality, and compliance.

3 Corporate Law Services

DGC offers corporate law and secretarial services in fields ranging from incorporation of corporate entities, assistance in maintaining prescribed records, convening and conducting meetings of the Board of Directors and shareholders, statutory filings with the MCA and advising and representing the clients in corporate litigation at Company Law Board matters through an in – house qualified company secretary.

4 Advisory Services

DGC offers multi-disciplinary advisory services to clients in its main areas of practice i.e. taxation and regulatory, audit and assurance and company law. Besides the firm also offers advisory solutions on partnership and LLP laws, societies and trusts laws, exchange control regulations, employee benefit regulations etc.

Our advisory services deliverables are based on gaining an understanding of clients' query, thorough research on the subject, in – house threadbare discussions on all possible solutions, considering myriad options, application of knowledge and past experience on the issues and providing an informed opinion on the query.

5 Finance and Project Consultancy Services

Finance is the backbone of any industry or business organization. With rising competition, visibly a number of choices of lenders have increased but this comes with a lot of hidden cost in future. Our role is to streamline this process of getting best financial tie up for our client both in terms of pricing and requirements. Corporate are outsourcing various finance related requirements with an aim to streamline respective processes and obtain consistency, uniformity, stronger controls and dedicated mechanism.

We at DGC offer complete solution to your banking and related processes services, giving them most competitive terms of banking, dedicated follow up and real time solution to challenges if any.. Our approach to outsourced assignments involves gaining a complete understanding of clients requirements which forms the bedrock of assignment implementation plan, designing process plan,

assessing resource requirements, deploying adequate resources, performing the desired functions, constant monitoring by Team leaders, generating client deliverables and timely client reporting. All engagements are lead by a partner to ensure quality assurance.

6. Facilitation in Awareness & implementation of Central & State Government Schemes

We are rendering full time consultancy and expert services in spreading awareness and implementation of State Government schemes majorly for 4 states viz. Uttar Pradesh, Madhya Pradesh, West Bengal & Bihar. We are regularly engaged for preparing Detailed Project Report for the anticipated Mega Scheme Project of State Government.

In our multi-disciplinary services, we have served across various industries and diverse verticals, thus generating deep insights of multifarious businesses and differences in economic, social, political and regulatory environments. This understanding helps us to tailor our solutions and cater to specific client requirements better.
